**C**ANNED things are growing more numerous every day and moreover they're growing better. And withal there's a difference between better and best. Bond's store is a stickler for things that are best; always has been, that's why it's such a busy store. We're careful about the canned goods we buy and sell, and while it's paid us to be careful it's afforded our customers a whole lot of satisfaction. About every good thing that's put up in good cans by good concerns can be found here, and at little prices. It'll pay you to get acquainted with our assortment.
